If a bull riding contestant is granted a re-ride, on a team bull because of a bull foul (i.e., bull hips himself, stumbles or falls down), the team owner has the option to re-buck the team bull as the re-ride, with consent and agreement from bull riding contestant. If bull riding contestant agrees to take the team bull back, the team bull’s score during the re-ride will count as a re-buck and be used as a part of the team’s total score. If the contestant accepts the designated re-ride bull, the team bull’s original judge’s score and time ridden will count toward team’s total score. Otherwise NO re-bucks will be granted.
- b. **A back judge may disqualify a team bull for non-cooperation in the bucking chute, forfeiting team event entry fees.** A rider will be given three (3) valid attempts to get out of the bucking chute before bull disqualification.

11. HORNS:

- a. All bulls must be tipped, with end of horn no smaller than the diameter of a 50 cent piece. At the discretion of a judge, if an un-tipped or inadequately tipped animal arrives at the CBR team event, the bull must be tipped. Failure to comply will result in forfeit or loss of any and all fees and related expenses to the owner.

12. DRAW/CHUTE POSITION:

- a. Bucking order will be determined by random draw. Positions may be altered, as needed, by the producer and / or chute boss to allow proper left hand and right hand deliveries per section.

13. TIE BREAKERS:

- a. There will be no tie breakers. If animals are tied after scores are audited, a straight split will be used.
